What to Do with Your Floral Style Results?

Once you've completed the quiz, you'll discover your unique floral style. This is more than just a fun insight; it's a valuable tool providing clear vision when working with your florist. Your floral style will come with descriptive key words that capture the feeling you envision for your special day.

For instance, if your floral style is "Rustic Romantic", your key words include wild and free-flowing floral designs and rustic colour palette, which you can share with your florist. These will help guide them in creating arrangements that match your style and preferences.

So, after you've unlocked your floral style, take it along when you meet with your florist. You'll be amazed at how these insights can streamline the process and ensure your wedding blooms align with your vision!

Your Floral
Bride Style
Revealed!

(MOSTLY A'S)

A Rustic Romantic

Your Floral Bride Style is all about embracing the beauty of nature and creating a romantic, rustic ambiance. Native flowers, wild and free-flowing floral designs, and a rustic colour palette are the cornerstones of your style. Think of it as a celebration of the great outdoors, where elegance meets the wilderness. The arrangements you envision are organic and filled with textured elements. Other terms that capture this style include “boho chic” and “natural charm.” So, when you’re discussing your floral vision with your florist, remember to use these key words to help them bring your dream wedding to life.

DESCRIPTIVE KEY WORDS TO GIVE YOUR FLORIST:

Native Flowers, Wild And Free-Flowing Floral Designs,
Rustic Colour Palette, Organic And Textured Elements.

Bride Style
Revealed!

MOSTLY B'S

Modern Minimalist

You prefer clean lines and minimalist arrangements with a touch of sophistication. Your wedding vision is a testament to the beauty of simplicity and modernity. Your Floral Bride Style is all about embracing sleek designs, and a less-is-more approach.

This style works best in the elegance of restraint, a neutral colour palette and minimalist arrangements that make a bold statement through their simplicity. Grouped floral arrangements with textured styling elements also work well. When you connect with your florist, be sure to use key terms like "clean and chic," "elegant", and "modern" to express your vision.

DESCRIPTIVE KEY WORDS TO GIVE YOUR FLORIST

Modern, Minimalist Floral Designs, Grouped Floral Designs,
Neutral Colour Palette, Textured Styling Elements.

Bride Style
Revealed!

MOSTLY C'S

Moody Elegance

Your Floral Bride Style is all about embracing the mysterious allure of deep, rich hues and luxurious textures.

Imagine opulent burgundies, midnight blues, and velvety purples, set against the soft glow of candlelight.

This style, known as 'Moody Elegance,' marries the dramatic and the refined, resulting in a wedding atmosphere that's both enigmatic and sophisticated. When communicating your floral vision with your florist, use descriptive key words like "dramatic blooms" and 'luxurious textures' to capture the essence of this style.

DESCRIPTIVE KEY WORDS TO GIVE YOUR FLORIST

Deep, Rich Colours, Luxurious Textures, Dramatic Blooms, Candlelit Ambiance, Mysterious, Opulent.

MOSTLY D'S

Fairie Fantasy

Your Floral Bride Style is fairytale meets the woods. You're enchanted by the beauty of the forest and blooms that conjure the magic of an enchanted woodland. This style is also often referred to as "woodland whimsy". The arrangements you envision are cascading and lush, typically in tones of blush and burgundy. When discussing with your florist, use phrases like these to describe your vision, which is all about crafting an enchanting fairytale atmosphere throughout your wedding.

DESCRIPTIVE KEY WORDS TO GIVE YOUR FLORIST

Enchanted woodland, magical, fairytale, cascading and lush floral designs, blush and burgundy colour palette.
